

## Chester Coronavirus Community Support – Local Food Suppliers Directory :

This list (last updated 31/03/2020) has been specifically prepared with local elderly and vulnerable people in mind, so that they do not have to put themselves or others more at risk by going out into public. You can support your community by not using delivery services for essentials if you are young/well/healthy enough to visit a supermarket, and by printing this list off or sharing this information with your local elderly and vulnerable so they know that these key support services are available. **This could be someone from your family so play fair and save lives!**

**NEW CWAC HELPLINE : 03001237031. Now open 8am-7pm. This is for those needing essential food & medical deliveries etc, when self-isolating.**

**LOCAL FOOD SUPPLIERS: Thanks to all the amazing local food suppliers for being so onto it! Please note that as government advice changes, and businesses react accordingly, the below info may change.**
